Hi Elissa,

Attached are the following

1. Short summary for Administrator's report, reviewed by TL and BC
2. OCSPP AA Briefing slides, reviewed by the team and Rick in May
3. Fact sheet from Q3 FRNs, review by PRD
4. In addition to the items mentioned below, PRD put together an "IO one-pager" which includes some elements of the previous briefings and a list of the documents that the team is working on and their significance. (reviewed by TL and BC)

If anything is needed, please let me know.

Thank you,
Trish

Subject: tcvp petition response for Administrators report

Hi Trish, at OPP staff this morning ED discussed that we need to draft a short summary of the petition response for the Administrators report next week. He also wanted to attach the briefing presentation and fact sheet for his general with Alex next week to help remind her of this petition and our path forward.

Can you please work on the draft for the Administrators report and update the fact sheet? Probably need to run it by OGC and the team. The deadline is Monday next week.

Thanks,
Elissa
